

SOPHIE TINLEY

FINANCIAL CONTROLLER

SUMMARY

I am an experienced commercial finance professional with all-encompassing skills and experience within an SME environment as well as a solid corporate background.

I have overseen large finance teams as well as managing the finance and admin function either for a small team or single-handedly. I have experience of managing large multi-site operational teams as well as being an owner operator.

My key financial skills include management accounting, financial control, business analysis and forecasting, treasury management, investment appraisal, financial and business strategy and corporate/regulatory compliance
